Achievement Testing

Third, fourth, and fifth graders will participate in the CMAS test from March 31– April 24, 2020.

- 3rd graders will be participating in math and English language arts.
- 4th graders will participate in math, English language arts, and social studies.
- 5th graders will be participating in science, math and English language arts.

Students will usually take one session a day lasting approximately 90 minutes. We will continue with our regular school day schedule as much as possible. We will have a more detailed schedule as we get closer to the testing dates. If you have any questions about the upcoming assessments, please give me a call at 254-6520.

Student Council Update

By: Gianna Diederich

Do you know what your Student Council is doing this school year? Student Council helps with school activities which include picking up trash outside on Tuesdays and Thursdays. Anyone can join in to help us keep our school clean. Also Student Council is making welcome bags for substitute teachers who come to our school. Our biggest selling fundraiser for Student Council is valentine candy grams. All proceeds go to Loma Elementary.
